

About us

Established in 1992, Homeease Manufacturing And Trading Co., Ltd. is a specialized manufacturer of mosquito nets, decorative bed canopies, fruit protection nets and window netting products. Close to Shanghai, Ningbo and Hangzhou, the convenient transportation has brought us more opportunities and competitive advantages in both domestic and foreign markets. Aiming to develop innovative products for home decorations, room themes and stylish houses, we have put considerable efforts on researching and marketing related products.
